

ROCK ME AMADEUS

L'Officiel Hommes Austria follows in the footsteps of Austria's greatest pop-music icon – Falco. With large shoes to fill, we set our sights on model, influencer and Falco look-alike Moritz Hau. Photographed by Xenia Trampusch at Falco's favourite nightlife haunt, the legendary Viennese nightclub, U4, we draped Moritz in the most rock and pop-star-worthy looks from the most current autumn/winter collections of international fashion designers. As icing on the cake, we paired the looks with the most coveted timekeepers by Swiss luxury watch manufacturer Audemars Piguet. Step into the world of musical chic as we embark on a fashion journey inspired by Falco's timeless allure.
